VOL. 67 NO. 24 | THURSDAY, SEPTEMBER 20, 1962 | CANYON, TEXAS | 18 PAGES, IN 2 SECTIONS | 10 CENTS

A FRESHMAN'S LOT IS OFT A HAPPY ONE. These two frosh are Bette Comstock from Levelland and Sammy Jacobs from Clarendon. They have just been through a rigorous day of registration, orientation and consternation. They like the WT campus, though, and are looking forward to four years here.

Commissioners Debate Voting Machine Needs

Clarence Beckman Says Thirty Won't Fill Bill

How many voting machines does Randall County need?

This was the question under discussion Monday as commissioners court held its regular session.

C.Y. Johnson said it was necessary to purchase only 30 machines. Commissioners Glenn Dowlen and Clarence Beckman contended that this would not be enough even for present needs.

Beckman pointed to the rapid growth of the county. He said at least 36 machines are needed at present.

He also noted that standby machines may be needed in case of a breakdown.

Judge Wayland Angel said there are approximately 11,000 voters in the county. The company which manufactured the machines which the county contemplates buying says about 300 voters can cast ballots on a machine in a day.

If this is true, 36 and a fraction machines would be needed for the forthcoming election.

Beckman said approximately 42 machines would be needed by 1964 when the Presidential election is held.

The commissioner from Umbarger said he felt that not buying enough machines to accomodate the people would be a hardship on the voters.

Commissioner B.R. Jones was noncommital. The question was tabled until a later date but not much later. County Clerk Tommy Lair must know soon what voting machine proposition to put on the ballot for the general election upcoming in less than two months.

Thirty machines at $1798 each would cost the county $53,940.

"My position is not necessarily for the machines," declared

(See COMMISSIONERS, Page 3)

Trustees Conduct Routine Business At Regular Meet

Canyon school board Tuesday night received bids on roof repair and conducted other routine business at a regular meeting.

Lydick Roofing Company of Amarillo was awarded a $3,375 bid for repairing the roof of the elementary school building.

The job of repairing the roof of the junior high school building went to Plains Sheet Metal and Roofing Company at a figure of $1,441 and Plains also was awarded the job on the high school roof for $5,765.

Roof repair was made necessary by damage done in a hail storm in June.

The board heard a report on equipment needed by the vocational agriculture department at the school. The report was given by Leon Bagwell, an instructor in that department.

The board voted to purchase a feed roller for the department at a cost of $290.

Architect Clayton Shiver told the board that an alternate on new school building could save the district $7,430 by leaving out 132 skylights in projected construction. The board accepted the alternate.

Shiver told board members that the area for the new elementary school building would be staked out Thursday.

Final approval was given to the new school budget.

Tax Assessor-Collector Lee Foster told the board that the valuation of the school district has been pegged at $24,903,060 and there will be $460,710.31 outstanding with projected collection set at 92 percent.

A list of substitute teachers was approved.

Superintendent Joe Gibson was authorized to inspect a second hand bus and possibly buy it for use by the school. He also was authorized to hire a part time librarian for the junior high school.

Sorghum Meet Scheduled Next Tuesday

Officers and members of the Randall County Grain Sorghum Producers Association, working with area officials are planning an expanded program for the organization, and have been displaying the impressive results of united efforts by farmers themselves in marketing the feed grain.

A leadership breakfast to acquaint grain elevator operators and community officers with the expanded plan will be held at the West Texas State College cafeteria (blue room) next Tuesday at 7 a.m.

A vigorous program of domestic and foreign market development activities as well as expanded efforts in research and membership service for 1963 were outlined by directors and staff at a recent officers and directors leadership planning session in the organizations' headquarters in Amarillo.

Randall county with a reported 55,000 acres of grain sorghum yielding an average of 3,830 pounds per acre can expect an income of at least $3 1/2 million dollars this year.

John Williams, county G.S. P.A. president indicated that Randall County Grain Sorghum farmers participation in the research, market development, and service program calls for an investment on their part, of only $3,500.00 based on the present proposed association budget.

Membership information programs and individual farmer contact will be underway during the next several weeks emphasized by a "kickoff" drive Tuesday, Sept. 25.

Elbert Harp, Abernathy farmer is president of the area-wide commodity group. Other Randall County officers include Kenneth Erwin, vice president, Donald Olson, secretary-treasurer.

Tickets for the Dalhart-Canyon football game are on sale here in Canyon at the high school and at the three drug stores on the square in downtown Canyon.

Rattler Killed In Yard

A large rattlesnake was killed Friday in the yard at the Rex Griffin home at 2802 Eighth Avenue.

Mr. and Mrs. Griffin shot the snake repeatedly with a .22 caliber pistol. Rex finally decapitated it with a garden hoe.

The Griffin's 3-year-old son, Matthew, was standing within three feet of the snake when Rex noticed it. The child had been watching his father water a tomato plant in the yard.

Mrs. Griffin said the snake, about 3 1/2 feet long and sporting five rattlers and a button, rattled only when struck by a bullet.

Normally a rattler is a gentlemanly reptile and can be expected to give a warning rattle. However, Mrs. Griffin says that at this time of year rattlers do not rattle before striking.

Waters Has First Milo

The first load of the 1962 milo crop was delivered late last Friday afternoon to Consumers Fuel Association & Elevator by Cecil Waters.

The load weighed 11,160 pounds, tested 60 pounds to the bushel with a moisture content of 14.47 percent.

It was grown 4 1/2 miles northwest of Canyon and is of the McEachern 222 variety. Waters said he harvested about two acres to get the load.

The Canyon farmer said the more than 5,500 pounds to the acre he harvested is not a fair sampling of the 30 acre field from which it was cut. Two of the half-mile rows harvested were not irrigated.

The crop was planted about May 10 and was watered twice during the season. It is an early variety milo.

Waters says he has a field of Richardson 303R which he believes will make in the neighborhood of 7,000 pounds per acre.

Grudge Battle To Explode

Buffs Meet Red Raiders

Lack of depth to match that of the Red Raiders is what has Coach Joe Kerbel worried this week as the West Texas State Buffaloes gird for the forthcoming battle with Texas Tech.

Game time is 7:30 p.m. in Jones Stadium at Lubbock.

"Frankly, they have us bested on depth," Kerbel declared Wednesday morning.

Tech has nine of their first 11 men back, 18 of the first 22 and 23 of the first 33, Kerbel declared.

"We're going to make a sincere effort to win," Kerbel asserted with feeling as he hunched over his desk lighting a cigar.

"If we don't have any injuries in the game, we may overcome the disadvantages against us and win," he declared.

Kerbel has three compelling reasons to want to win over the Raiders. He used to be an assistant coach at Tech and this alone is enough to whet his appetite for victory.

There has been talk of Tech dropping West Texas from its grid schedule. This would be expensive to WT and a Buff victory Saturday could have something to do with getting a return match.

Thirdly, West Texas lost a 16-14 squeaker to the Red Raiders last season.

If Kerbel has worries, so does Raider Coach J.T. King.

Scouts who came to the Trinity game saw a hard charging Russell Mundy step into the shoes of Ollie Ross when the latter went to the bench with a sprained ankle.

Mundy racked up 67 yards in 13 carries. Raider scouts may have reported a line just a little toughter than they had been led to believe it would be. They saw Pete Pedro running as hot as the proverbial pistol and a Jerry Logan who is deadeye on the uprights.

The Raiders have an aerial attack and just may use it to advantage in view of the initial success enjoyed by the Trinity team here last Saturday.

Quarterback, Johnny Loveless, Doug Cannon and Richard Mahon all are adept at tossing a football. H. L. Daniels is the expert field goal kicker for the Raiders as those who saw the WT-Tech game last season can testify.

Daniels booted three, the last one in the final quarter, to nudge the Buffs.

Fullback Coolidge Hunt is a leading rusher for the Raiders. Outstanding Raider backs include Bill Worley and Roger Gill.

"They're loaded," declared Coach Kerbel.

For Pete Pedro the Raider tilt will be an opportunity which may never return. Pistol Pete is WT's candidate for All-America.

Saturday night may be his last chance to play against a Southwest conference team.

Eagle Boosters Chartering Bus

The Canyon Eagle Booster Club has made plans to charter a bus to the Canyon Eagle-Dalhart football game this Friday evening.

According to Roscoe Richardson, President of the club, round trip fair will be $3.80 per person. A minimum of 29 persons will be required to charter a bus.

Reservation may be obtained by calling OL5-4008 before 10:00 A.M. Friday.

The bus will leave the new high school at 5:00 P.M. Friday.

Eagle Boosters Selling Badges

Memberships in the Eagle Booster Club are being sold at $1.00 each.

Mrs. Cecil O'Donald told members of the club Tuesday night that membership is increasing rapidly. Civic clubs in town have pledged cooperation.

Plans call for sale of memberships on the square next Friday.

Roscoe Richardson, club president, urged members to wear badges all day on Fridays as well as to Eagle games. He also urged boosters to be ready to go onto the field about 10 minutes before game time each week to greet the Eagles as they go onto the field.

Jim Martin will give the signal each week.

The B team and freshman team, their coaches and parents are to be honored at the next meeting of the club to be held at 8 o'clock Tuesday night in the high school cafeteria. Films of the previous game will be shown.

Commission OKs Pipeline Payment

Canyon city commissioners in a called meeting Friday authorized payment of $5,550 to Ramsey-Enix Company for laying a water line to the new motel site south of town.

In other action, the commission accepted an offer by the City Fire Department for purchase of a new pick up truck for use of the department.

The department had agreed to pay for one half the cost of the new pickup and the city to pay for the other half.

Enrollment Skyrockets As Freshmen Hit Campus

Freshmen--more than 900 of them-- began registration for the fall semester at West Texas State College here Wednesday, following two days of testing and counseling. Upperclassmen will register Thursday and Friday.

When classes begin Monday, an enrollment of more than 2,800 students, representing about an 8 per cent increase over last fall, is expected for the first semester.

Registration Thursday and Friday will start at 8 a.m. in the Student Union Building. Last possible date for registration for the fall semester is Oct. 6, but payment of late registration fees will be necessary after Sept. 29.

Students, particularly freshmen, began moving into dormitories Sunday, and freshmen began orientation at 8 a.m. Monday. They will have four orientation periods, with the second and third sessions at 8 a.m. and 1 p.m. Thursday, and the final session at 9 a.m. Friday. The orientation programs are in the Administration Building auditorium.

A faculty-student assembly will be held Thursday at 11 a.m.

Annual faculty reception for the student body will be held Tuesday, Sept. 25, at 8:15 p.m. in the Student Union Building.

Carl Hair's pies won both first and second places in the Oldham County fair at Vega. They were entered on the sly by a niece, Mrs. Harold Martin. A pineapple chess pie won the blue ribbon and a lemon chess pie won second. The judges sampled the pies until they were almost gone.

One In One Million Odds Seen

Oral Vaccine Plan Continues

Potter-Randall County Medical Society is going ahead with plans for mass oral innoculation against polio in spite of bad publicity received recently by the vaccine.

"Good that can be done far outweighs the extreme chance of there being any trouble from it," Dr. Bob Jarrett, Randall County health officer said Tuesday.

The Texas Health Department approved Monday use of the controversial Type III oral polio vaccine for children of school age and below.

The decision followed recommendations of the US Public Health Service, which advised Saturday that the Type III vaccine be discontinued for adult use.

"In view of the National Polio Advisory Committee recommendations, Type III oral vaccine should be continued but limited to pre-school age children for the present," State Health Commissioner Dr. J.E. Peavy announced in Austin.

"It should be emphasized that the risk in adults is quite small nationally, being in the nature of 1 in over 1,000,000," he said.

The department recommended continuation and acceleration of Type I and II oral vaccine programs.

The program here is being sponsored by the five local physicians.

Type I will be given between noon and 6 pm Oct. 7. Stations will be set up at the West Texas State College field house and at Canyon High School.

Type II will be given Nov. 18 and Type III will be given Jan. 6.

About 70 volunteers will be needed to help doctors operate the two clinics.

There will be no charge as such for the vaccine. Those who care to contribute may do so.

WT Exes Meet Set Saturday

A meeting of Panhandle and South Plains West Texas ex-students will be held in Lubbock Saturday afternoon.

The meeting will be held from 3 o'clock until 6 in the main ballroom of the Texas Tech student union building.

Vaughn Vandergriff, with the Ex-Students Association, said it will be a very informal get together.

NOTICE:

TO FARMERS PLANNING TO PLACE 1962 CROP GRAIN SORGHUM IN THE LOAN

1962 Crop Grain Sorghum Price Support Regulations require certain moisture shrinkage to be eligible for loan.

Anyone who wishes to study the 1962 Regulations should write the United States Department of Agriculture for a copy of "1962 Crop Grain Sorghums Price Support Program Regulations" (Reprinted from Federal Register of July 10, 1962 (27 F.R. 6463)).

The undersigned warehousemen will make shrinkage deductions to protect the farmers right to place his grain in the loan program.

Since each warehouseman is responsible to C.C.C. for loan grain stored in his warehouse and to customers storing grain in his warehouse, he must abide by these regulations to protect the interest of C. C. C., all customers storing grain in his warehouse, as well as his own interest. All elevators have been notified that all regulations will be rigidly enforced.

We, the undersigned elevators, because of the above mentioned rules and regulations, will shrink your sorghums that test above 15% moisture at the rate of 1% for each one-half percent above 15% moisture back to 13% moisture by weight for loan purposes.

SHRINKAGE SCALE

0-15.0% MOISTURE—NO SHRINKAGE

15.1%-18.0% MOISTURE—SHRINKAGE BACK TO 13.0%

18.1%-ABOVE—NOT ELIGIBLE FOR LOAN (EVEN IF DRIED AT THE ELEVATOR AND EACH TICKET MARKED "NOT ELIGIBLE FOR LOAN")

Dealers Attend DeKalb Meeting

Two area dealers recently attended a meeting of DeKalb dealers from Texas, Oklahoma, Kansas and Colorado.

The meeting was held in Lubbock.

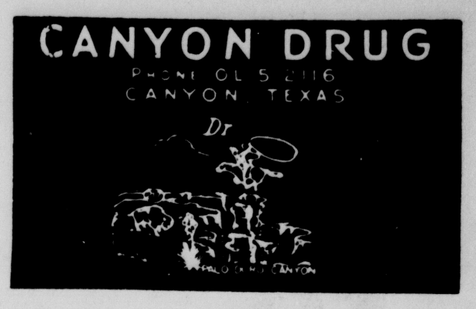

The dealers from here are Werner Henscheid of Canyon and Leonard Batenhorst of Umbarger.

Highlight of the two-day meeting was a visit to the sorghum and cotton research farm northwest of Lubbock.

Commissioners . . .

(Continued From Page 1)

Beckman, "But if we are going to buy them we should buy enough."

A bid of $2500 for paving the parking area at the South Amarillo court house annex was accepted. The bid was submitted by J. Lee Milligan.

Gilvin-Terrill, Inc., submitted a low bid of $4,217.50 on paving a half mile of Burlington Road and completion of Palisades Road.

A platt for Golden Ridge Addition just east of Canyon was approved.

Easement was approved for a 3-mile Amarillo water main paralelling county right of way.

Commissioners agreed to final inspection of court house improvements next Monday. Request for the inspection was made by Oscar Schilling, architect.

Johnson submitted the names of two new election judges. O.B. Vernon was named to replace Hubert Allen at Box 12. Allen resigned the post because of ill health.

William Brown at Box 14 will replace A.C. Wilson, who has moved.

Commissioners court will open at 10:30 o'clock next Monday morning. Hearing on the county's budget will be held Monday.

Cynthia Mickey of Tulia and Jeanette Ely of Amarillo were Sunday visitors in the Arvin Triplett home.

Mr. and Mrs. John Pomroy of Amarillo, Clifford Stewart of Perryton and Mrs. W. S. Wharton were Tuesday visitors in the Arvin Triplett home.

MRS. ROY F. HARRIS

Mr. and Mrs. Roy F. Harris Exchange Vows In Cleburne

The Henderson Street Baptist Church in Cleburne was the scene of the marriage of Miss Rhema Dell Morton and Roy Frank Harris on Thursday, August 30 at 7 o'clock in the evening.

The bride is the granddaughter of Mr. and Mrs. H.M. West, Sr., of 215 Mansfield Road, Cleburne, and the bridegroom's parents are Mr. and Mrs. W.B. Harris, 2009 Second Avenue, Canyon.

The Reverend George H. Harris of Irving, read the double-ring ceremony before an arrangement of greenery and candleabra holding white candles.

Music was presented by Mrs. Bob Allford, of Grand Prarie, organist, who offered the traditional wedding marches, and accompanied Mr. Allford, soloist, as he sang "Because", "You'll Never Walk Alone", and "The Wedding Prayer".

Mrs. Dennie Richardson, sister of the bride, served as honor matron and bridesmaids were Jannice Head of La Grange and Kathryn Harris, sister of the bridegroom. The attendants were all identically gowned in red nylon chiffon over red taffeta, styled with scalloped necklines. They wore single strands of pearls, and white headpieces made by the bride's grandmother. Their bouquets were white Frenched carnations.

The bride was given in marriage by her grandfather, Mr. West. Her gown was of white satin and Chantilly lace. The sculptered bodice featured a scalloped neckline, and the floor length skirt was styled in circular fashion. A veil of nylon illusion fell from a sequined tiara, and she wore a pearl and diamond pendant, a gift of the bridegroom. The bridal bouquet was a white Bible topped with white Frenched carnations and a white orchid. Her bridal attire included the traditional something old, new, borrowed, blue and a penny in her shoe.

Ronny Harris of Canyon served his brother as best man. Ushers and groomsmen were Larry Brotherton and Craig Hinger, both of Canyon.

For her granddaughter's wedding, Mrs. West chose a dress of blue jersey with black accessories. Mrs. Harris wore a briar green dress of raw silk and her accessories were rose beige. Both wore corsages of white Frenched carnations.

A reception in fellowship hall of the church followed the ceremony. Members of the house party were Misses Margaret Ann Cowan, Bobbie Stepp, Bonnie Allen, Ronda Gregory; Mesdames George Harris, Wayne Rice, Gary Prater and Curtis White.

For travelling the bride's going-away suit was of turquoise with white accessories.

The bride is a junior student at Hardin-Simmons University, majoring in elementary education, and Mr. Harris is a senior at Hardin-Simmons, with a history major. The couple is at home at 1814-C, Dillingham, Abilene.

Attending the wedding from out of town were: Mr. and Mrs. J.B. Jordan, Kathie and Erma, Albuquerque, N.M.; Mr. and Mrs. George T. Mitchell, Ft. Worth; Miss Mayla Atkinson and Miss Kay Jarnigan, Canyon; Mrs. Thurman Pylant, Abilene; Mrs. George Harris, Irving; Don Morton, Dallas.

Several parties honoring the bride were held previous to the marriage. An open house in Canyon was given by the bridegroom's parents and Mr. and Mrs. J.C. Massengale of Lubbock. About seventy-five guests attended.

A miscellaneous shower was given in the home of Mr. and Mrs. JoZach Byrd on July 28, and on August 4 a kitchen shower was given by Mrs. Gary Prater of Dallas and Mrs. Wayne Rice of Cleburne.

A miscellaneous shower in Cleburne given by Miss Bobbie Stepp, Mrs. Bob Taylor, Mrs. H.D. Gossett and Mrs. H.L. Underwood feted the bride recently.

Cragers Hosts Over Weekend

Dr. Ted Crager, Chairman of the W.T. Music Department and Mrs. Crager entertained members of the West Texas State Band on Friday night with a picnic at Buffalo Lake.

On Sunday evening, the Cragers were hosts to members of the Department of Music faculty with a dinner in their home. Those present included: Miss Mary Ruth McCulley, Miss Elsa Porter, Miss Pauline Brigham, Mr. and Mrs. Royal Brantley, Mr. and Mrs. Gerald Hemphill, Mr. and Mrs. Rowie Durden, Mr. and Mrs. Houston Bright, and Mr. Stanley Potter. Canyon High Band Director Lee Boyd Montgomery Jr., and Mrs. Montgomery were special guests.

Social Pioneers Meet

The Social Pioneers will meet at the home of Mr. and Mrs. W.T. Davis, 2010 9th Ave. for their annual picnic on Thursday, September 20.

WANDA CAROL BOURN

Wanda Bourn Engaged To Jackie Wayne Whitley

Mr. and Mrs. Ed Bourn of Canyon announce the engagement and approaching marriage of their daughter, Wanda Carol, to Jackie Wayne Whitley, son of Mr. and Mrs. J. H. Bullard of Lampasses.

The wedding will take place on November 22 in the Joseph A. Hill Memorial Chapel at West Texas State College in Canyon.

News, Features For The Women

Twenty-fifth Anniversary Celebrated By Metcalfs

A tea honoring Mr. and Mrs. Ray Metcalf was given Sunday September 16 on the occassion of their twenty-fifth wedding anniversary. It was held in the Metcalf's country home between the hours of 3 to 5 p.m.

The serving table was laid with a white linen cut-work. An arrangement of white mums, tied with silver ribbon bearing the words "Twenty-Fifth," was used as the centerpiece.

Mrs. Jack Metcalf served punch to the eighty-four guests who called. Linda Kay Metcalf presided at the guest book, as well as joining Margaret Plank in offering piano selections during the afternoon.

Assisting in serving were Mesdames Ed Bourn, Verla Simpson, J. B. Hager, Glenn Burrus, Jim Carter, and Misses Wanda Bourn, Barbara Hager, Wanda Ware, Elizabeth and Kathryn Burrus.

AAUW Holds Tea

The American Association of University Women held its opening tea of the school year on Sunday, September 16 at the home of Mrs. George Blackwell, 2510 13th Ave. from 3 until 5 p.m.

Mrs. Charles Harter presided at the serving table which was centered with an arrangement of Frenched yellow carnations interspersed with Fall leaves and fern.

The next meeting will be a brunch to be held on October 6 in the home of Miss Ruth Cross at 10 a.m.

Cruse Olson Has Luncheon

Cruse Olson, daughter of Mr. and Mrs. Robert Olson of 2614 8th Ave. was honored on the occasion of her 12th birthday with a luncheon in her home.

The dining table featured a replica of a cat surrounded by daisies as a centerpiece, and a daisey corsage marked the place of each guest.

The guest list included Terri Blasdell, Jami Olson, Shelly Taylor, Susan Read and Patsy Schnack.

by Jean Harper

Around The Town

The 1962-63 School year was launched with a coffee honoring the wives of the new faculty members at W.T. Penny Harrison, Georgia Blackwell and Jo Lee hosted the affair in Penny's home on Tuesday morning, September 18, and if there were any present who had not attended the game Saturday night, they were treated to a women's resume of the affair. A few of the many present were Mesdames Joe Rector, Howard White, Geneva Beasley, Gerald Hemphill, George Eason, James Ma, and Jack Bullock.

Mallie and John Williams had as their guests for the weekend the Frank Barnhills from Turkey, who arrived on Saturday in time for lunch and accompanied the Williams to the W.T.-Trinity game.

Mrs. R.P. Jarrett Sr. had her daughter and her family, Mr. and Mrs. A.W. Williams of Lubbock as visitors over the weekend. Also Mrs. Williams' aunt and uncle, Mr. and Mrs. Albert Elrod of Dallas who had come to Canyon to enroll their son Al as a freshman at W.T. Al played football at Highland Park in Dallas and joined the freshman team here.

Willie Hunsley is in Corpus Christi taking care of her grandchildren while daughter Mary Elizabeth and her husband are in Italy attending a wedding.

Mrs. Ross Service has returned from a visit to Grand Junction, Colorado where she visited Don and Jan Service and their four children. This weekend, Mrs. Service's nephew and his family, Mr. and Mrs. Jack Gardner of Odessa visited in her home for three days.

Many residents have seen a former Canyon woman who now lives in Amarillo, Mrs. Pat Long, selected as one of the ten best dressed working women in the city of Amarillo. Mrs. Long is the former Patty Sue Ford, daughter of Mrs. Guy Ford of Canyon.

The Ted Cragers, whose always busy life becomes even busier during football season, were host on Saturday night following the game to all the visiting band directors and their families.

Many residents are going to Lubbock this weekend for the game, we who stay at home would be interested in knowing who went and what they did. If any of you who are going would let us hear from you, it would help ease the pain at being left behind. See you next week.

Joy Harter, left, retiring Council president of FHA is being presented her gavel to keep as a momento, by incoming president Judy Rhodes.

FHA Holds Installation

The Canyon FHA'ers met Thursday night to install the 1962-63 officers.

Since one of the prime goals of FHA is to develop leadership, it had been decided that the one hundred and forty members would be divided into groups according to their school class, with officers for each group. Additionally, a Council would be chosen from the entire membership to help coordinate activities.

Joy Harter, 1961-62 president, led the installation of the 1962-63 Council, in a formal candlelight ceremony and Lee Ann Kelly gave the welcome address. Freshman, Sophomore, Junior, and Senior Classes were installed by Judy Rhodes, FHA Council President for the coming year.

Nancy Hicks, area FHA president, gave a report of the national FHA meeting that she attended in Salt Lake City, Utah this summer. Marion Henson, a former FHA state officer encouraged each girl to work on the organization's degrees.

The next meeting will be Thursday, October 11, and will be Daddy Date night. Cynthia Gerald, Mary Ann Wheelock, and Nancy Davis are in charge of the meeting.

The following is a list of council and junior class officers for the 1962-63 year. Next week, we will carry a list of the Sophomore and Freshman officers.

Council officers are Judy Rhodes, President; Nancy Davis, First Vice President, Programs; Doris Smith, Second Vice President, Degrees; Ann Fisher, Third Vice President, State Projects; Mary Ann Wheelock, Fourth Vice President, Recreation; Iris Hales, Fifth Vice President, Public Relations; Lee Ann Kelley, Recording Secretary; Janis Miller, Corresponding Secretary; Gail McKinney, Parliamentarian.

Janie Fisher, Historian; Carol Brown, Treasurer; Linda Adair, Song Leader; Mary Johnson, Pianist; Joyce Nichtengale and Kaydean Barnard, Sergeant of Arms; Janet Gerald and Joy Harter, FHA Banquet Co-chairmen.

Gayle Rae and Jo Troth, National FHA Week; Cynthia Gerald, Chairman of Daddy Date Night; Kay Kuykendall, Civil Defense Chairman; Beth Jarrett, Devotions Co-Chairman.

Rosemary Innes, Art Director; Joan Malone, Bulletin Board Chairman; Janet Gerald, Advisor; Nancy Hicks, Area, State, National Representative; Iris Hales, Annual Representative.

Junior class officers are Iris Hales, President; Sidney Oldham, First Vice President; Mary Ann Wheelock; Sharon Franklin, Third Vice President; Nancy Davis, Fourth Vice President.

Nancy Downing, Fifth Vice President; Doris Smith, Recording Secretary; Ann Fisher, Corresponding Secretary; Sharon Ely, Parliamentarian; Janis Miller, Historian; Judy Bea Wilson, Treasurer; Nancy Davis, Song Leader.

Mary Johnson, Pianist; Darlene Bednorz, Judy Byars and Sylvia Wall, Sergeant of Arms; Pam Caldren, FHA Banquet Co-chairman; Linda Adair, National FHA Week; Carol Brown, Chairman of Daddy Date Night; Janie Burk, Civil Defense Chairman; Elaine Loudder, Kathy Robins, Devotions Co-Chairmen.

Rosemary Innes, Art Director; Jean Ann Oglesby, Bulletin Board Chairman; Linda Lowes, Advisor; Iris Hales, Annual Representative.

ANN CUNNINGHAM

Cunningham - Pruett Engagement Announced

Mr. and Mrs. James Patrick Cunningham, 2403 Travis, Amarillo, announce the engagement and approaching marriage of their daughter, Ann, to A.L. Pruett, son of Mrs. Thelma Pruett of 2608 8th Ave., Canyon and J.D. Pruett of Amarillo.

The ceremony has been set for October 27 at 10 a.m. in Saint Andrews Episcopal Church in Amarillo.

Mothers-In-Law Hold Meeting

The Canyon Mothers-In-Law Club met in the home of Mrs. W.J. Stewart on Thursday, Sept. 13. Co-hostesses were Mrs. T.T. Fain, Mrs. Laura Hutton, and Mrs. Nancy Waldrum.

President, Mrs. W.J. Stewart presided over the meeting. Mrs. Louis Harvey, song leader, and Mrs. Mary Burtz, pianist, opened the meeting with singing. Mrs. H.C. Hudson gave the devotional and Mrs. W.S. Wharton led the group in prayer. Mrs. T.T. Fain read the minutes, and roll was called with each member telling of their summer vacation. Watermelon was served to 18 members and one guest.

Members present other than those already named were Mesdames: G.B. Combs, H.C. Gentry, E.C. Penick, T.V. Slack, hattie Brasuel, R.D. Lowery, W.G. Rose, W.I. Wester, C.W. Dunn, and Mrs. J.N. Seay.

The next meeting will be on Thursday October 11. Hostesses will be Mrs. H.C. Hudson, Mrs. Hattie Brasuel, Mrs. R.D. Lowery and Mrs. J.N. Seay.

Auction Planned By Umbarger PTA

The Umbarger PTA is planning a Community Auction to be held on the Umbarger School grounds on Saturday, September 29 beginning at 1 p.m. and lasting until everything is sold.

Proceeds from the sale will be used to buy equipment for the new gym. Col Darrol "Tex" Adams, who will serve as auctioneer, is donating his services.

The Budget and Finance Committee headed by L. J. Wieck, asks that if it is possible, those having items to be donated for auction, try to get them to committee members in advance of the sale date.

Guests in the home of Mrs. G.B. Combs were Mr. and Mrs. Duane Adkins Kent and Carol Ann of Amarillo. Other guests were Mr. and Mrs. C.A. Barker, also of Amarillo.

W.T. Ex-Students To Meet At Tech Game

The West Texas Ex-Student Association will host a get-together preceeding the W.T. Tech game in Lubbock on Saturday, Sept. 22. The group plans to meet in the main ballroom of the Student Union Building from 3 until 6 in the afternoon. All Ex-Students and their guests are invited to meet and re-new old acquaintances before game time.

Senior Citizens To Hold Meeting Friday

The Senior Citizens Club will meet on Friday, September 21 at 7:30 in Fellowship Hall of the First Methodist Church. The organization is sponsored by the United Church Women, and all senior citizens are urged to attend. If transportation is needed call E. Cohen Penick Jr., at OL5-3576.

MRS. LEE FOSTER

Sorority Hears Mrs. Lee Foster

Pi Chapter, Delta Kappa Gamma, held their first meeting of the year on Saturday, September 15, at the TWCA in Amarillo. Breakfast was served and plans were made for the year. Attention was called to the Regional meeting which will be held at the Tascosa High School Saturday October 13.

Mrs. Lee Foster, of Canyon, was guest speaker and presented a review of the popular new book, "Consider Miss Lilly" by Alyne Porter.

Members from Canyon attending were: Mrs. Earline Morman, Mrs. A.B. Holt, Mrs. Tom Knighton, Mrs. Gene Sunderman, Mrs. O.A. McBroom, Mrs. Madge Culberson, Miss Darthula Walker, Miss Edna Graham and Miss Wilma Hixson.

Rebeckahs Meet

The Canyon Rebeckah Lodge No. 350 met September 12 for their regular meeting, with Mrs. Bertha Crow presiding.

Following the business meeting, reports were made on members absent, and on the twenty-six visits to the sick, and fifteen cards sent.

The next meeting will be held on September 26.

A luncheon was held on September 5 at the home of Mrs. Mae Bond. Those present were: Mesdames Hattie Brasuel, Mattie Gentry, Myrtle Cook, Dollie Taylor, Lee Gilbrett, Lottie Suggs, Roy J. Davis, Myrtle Wester, and Mae Johnson. Plates of food were sent to Mrs. Bertha Crow and Mrs. Cook, who were ill and unable to attend.

Mrs. Roy Henderson, Mrs. R.A. Hodges, Mrs. O.O. Henry, and Mrs. Lewis Tucek discuss plans for their trip to Dallas to attend the Texas Home Demonstration Association in Dallas the 19th and 20th of this month. Mrs. Hodges will be installed as District I Vice-President, and others are representing Randall County.

Canyon Women At Convention

Mrs. Roy Henderson and Mrs. R. A. Hodges of the Plesantview Home Demonstration Club; Mrs. O. O. Henry, of the Sunnyhill Home Demonstration Club; and Mrs. Lewis Tucek of the Westside Home Demonstration Club, are representing Randall County at the State Convention of the Home Demonstration Association meeting in Dallas September 19th and 20th at the Baker Hotel.

A featured event at the convention will be in the installation of the 1962-63 officers. Mrs. R. A. Hodges of Canyon will be installed as the District 1 Vice-President.

Out-going THDA chairman, Mrs. Earl Reynolds met with delegates last week to help in preparation for the convention. Following the meeting in Dallas, Mrs. Roy Henderson will assume responsibilities as the new Randall County THDA chairman.

Canyon Capers Met Monday

The Canyon Capers met Monday evening at 8:30 p.m. for their regular square dance. With five sets present beginners lessons were started at 7 p.m., but all persons still desiring to have the lessons will be able to do so by coming next Monday evening at 7 p.m. to the Student Union Building on the West Texas Campus.

Out-of-town guests present this week were Mr. and Mrs. Doug Wooddall, Mr. and Mrs. Joe Wolfe, Mr. and Mrs. Bill Braswell, and Shirley and Steve Roberts all of Amarillo, and Mr. and Mrs. Floyd Messenger of Hereford.

Home Demonstration Club Holds Meeting

The Palo Duro Rusk Home Demonstration Club met Tuesday, September 11, in the home of Mrs. Charles Conatser. Mrs. Earl Reynolds led a discussion on good citizenship.

Refreshments were served to Mesdames Alvin Kuhlman, Douglas Marshall, Gladys Marshall, C. V. Wilkinson, Herbert Gerdson, Clem Dugan, and Mrs. Reynolds.

The next meeting will be held on September 25 at 2 p.m. in the home of Mrs. Alvin Kuhlman.

Home Tour Set By Book Club

Tickets for the Home Tour, sponsored annually by the Junior Woman's Book Club, have gone on sale this week. The tour, set for Sunday, October 7 from 2 until 6 p.m., will feature seven homes in the Canyon area. Flower arrangements in each home will be provided by members of the Canyon Garden Club. Proceeds from the sale of tickets will go toward worthy projects in the community.

Homes included in this year's tour are those of: Mrs. C. W. Warwick, 2519 11th Ave.; Gerald Dietz, 1 mile south on Lubbock Highway; Mrs. A. L. Walsh, 2414 11th Ave.; C. B. Erwin, 2613 9th Ave.; Cecil Simms, 1 mile south on Lubbock Highway; R. A. Smith, 405 22nd St.; and Crews Henry, 1303 3rd Ave.

Beta Sigma Phi Holds Meeting

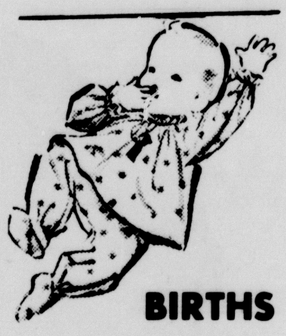

Chi Upsilon Chapter of Beta Sigma Phi Sorority met on Wednesday, September 12 at the Girl Scout House. The meeting opened with members standing to repeat the Opening Ritual.

Mrs. Elmer Clement, president, presided over the business meeting at which time it was decided to change the meeting to the second and fourth Wednesday of the month. A program on complextion care entitled "The Body Beautiful" was presented by Mrs. Allen Simpson.

Refreshments were served by Mrs. Jerry Johnigan and Mrs. Jim Christopher. Members present other than those already mentioned were: Mesdames Joe Abbott, Jack Berry, Larry Black, Gene Golson, Clifton Newberry, Charles Peckenpaugh, Doug Rittenberry, Bob Kerr, Troy Jordan, Ben Wade, Bob Henry, Bob Brotherton, and Miss Betty Sue Patterson and Miss Virginia Rossiter.

The meeting was closed in regular order with the Closing Ritual. The next meeting is set for September 26.

George Wilmoth and Madison of Claude and Clifford Stewart of Perryton were Monday visitors in the Arvin Triplett home.

BIRTHS

Mr. and Mrs. Gary D. Moore, Tulia, baby girl, born Sept. 13.

Mr. and Mrs. Walter J. Schumacher, Springlake, baby boy, born Sept. 15.

Mr. and Mrs. William E. Garrity, Canyon, baby girl, born Sept. 16.

Mr. and Mrs. Arthur Phfeil, Debbie and Rickie of Pampa visited Mr. and Mrs. H.M. Stokes in their home south of town over the weekend.

Umbarger PTA

The Umbarger PTA will hold its regular meeting Friday night, September 21 at 8 p.m. in the Umbarger School. Following the business meeting, a scenic film of Australia and New Zealand, released by Pan American, will be shown.

Mr. and Mrs. Orville Smith of Carnegie, Okla., Mr. and Mrs. C. S. Secrist and Betty of Amarillo, Mrs. Milton Dooley and Miss Doris Smith of Canyon were dinner guests in the home of Mr. and Mrs. J. B. Smith Sunday. Mr. and Mrs. Orville Smith are the parents of Mr. J. B. Smith and were weekend guests in his home.

Mr. and Mrs. Dewey Foster had as their guests recently their daughter and grandchildren, Mrs. Frank Stallings, Davis and Diane, Arlington. Other visitors in their home were Mrs. Lucille Wright, Memphis; Mr. and Mrs. Don Wright, Bruce and Nancy and Mr. and Mrs. E.L. Prichard, all of Amarillo, and Mrs. Don Reenes, Hereford.

Registration For Night Classes Gets Under Way

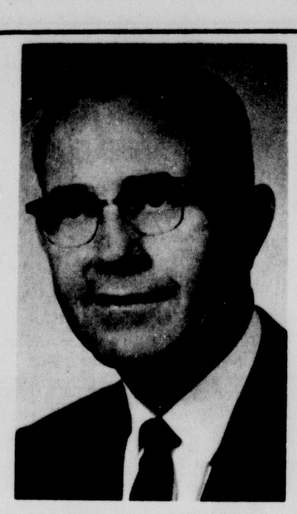

Registration for evening classes at West Texas State College for the fall semester started Tuesday night in the Student Union Building, according to Frank H. Morgan, WT registrar and director of evening classes.

The period was designed for persons who will be attending evening classes only. Professors offering classes and administrative officers were on hand to assist with registration.

Classes will begin Monday night, and students may still register for classes during the week, Sept. 24-27, in the halls of the Administration Building. The registration will be held each night from 6 until 6:45 p.m., preceeding the classes which start at 7 p.m. Teachers of each class will be in the main corridor of the Administration Building.

After Sept. 27, students may still enroll for classes, but they must come to the campus during the day, enroll and pay fees before the business office closes at 4 p.m., Morgan said.

Approximately 100 courses are being offered at night, Mondays through Thursdays, in art, Bible, biology, business, chemistry, economics, education, English, geography, geology, government, history, mathematics, physical education, physics, psychology, sociology, Spanish, and speech.

DR. J. H. WRIGHT

Baptist Revival Scheduled

Dr. J.H. Wright pastor of the First Baptist Church, Grand Prairie, will be the visiting evangelist in a series of meetings at the First Baptist Church, September 24-30.

Dr. Wright, who is the son of Mr. and Mrs. John Wright of Canyon, graduated from Canyon High School in 1933. He attended West Texas State for two years and transferred to Baylor University where he graduated in 1938. In 1942, he received the Master of Theology degree from Southwestern Baptist Theological Seminary, Ft. Worth.

Dr. Wright has pastored churches at Holliday, Henrietta, Olney, Levelland, and now at Grand Prairie since 1957.

In the month of August Dr. and Mrs. Wright made a tour of Southern Baptist Mission work in Africa and visited the Holy Land.

Child Hurt In Accident

Jenannita Tippery was injured in a two car collision Monday at the intersection of 23rd Street and Seventh Avenue.

Investigating officers said Jenannita, 13, suffered minor head injuries when a car operated by Cleo Nelson Tippery was involved in a mishap with a car operated by Ronald Eugene Boehning.

Officers said the Boehning car was traveling south on 23rd at the time of the accident. The Tippery car was making a left turn off 23rd onto Seventh Avenue.

The girl was treated at Neblett Hospital and dismissed.

BEAT TECH !

JOE KERBEL . . . Head Coach

West Texas State football fans have been overheard to say: "It's worth the price of admission to watch Coach Kerbel pace the sidelines during a football game."

That's one way of saying Joe Kerbel eats and sleeps football, and certainly rates as one of the most dedicated coaches in America. The 40-year-old rotund whip-cracker is a precisionist and demands the same of his football squads.

Joe Kerbel

Kerbel's style has prevailed at West Texas for two years and his magic has worked wonders. He came to Buffalo land in 1960 after the school had wallowed through two losing seasons, netting only one win each year.

His first rebuilding season in '60 produced a 3-7 record and a lot of respect from future opponents. Last season, he came back with a 6-4 winning mark against the school's toughest schedule in history. Among the season's highlights was an unset 27-23 win over U. of Arizona, its only loss of the year.

A 1947 graduate of Oklahoma, Kerbel enjoyed great success as a high school mentor. He compiled a record of 76 wins, 15 defeats and two ties in high schools at Cleveland, Okla., Breckenridge and Amarillo. He was assistant coach in charge of offense at Texas Tech two seasons before coming to West Texas.

The Kerbels have five children, and he holds the rank of captain in the Marine Reserve. He employs a split-T, pro-type offense that is designed to score frequently and entertain fans. Last year, he did just that . . . the Buffs averaging 30.9 points per game to rank fifth in the nation and the home crowds averaging more than 14,000 per game to set an all-time school high.

Eagles Claw Hereford In Soggy Grid Battle

By GARY LEE

Canyon's Eagles made it two in a row Friday night as they clawed the visiting Hereford Whitefaces 23-14 in a rain-drenched clash at Buffalo Bowl.

The Eagles rolled as quarterback Donald Breitling started the scoring of the game early in the second quarter.

Brietling reached 6 points by keeping on the optional around right end. Davis Price, another Canyon Quarterback faked holding the ball for a kick and passed to Jim Whinnery, halfback, for 2 more points. The score was 8 to 0.

The Whitefaces moved the ball well in returning the Eagles' opening kick-off. Jim Haney, fullback, charged for 10 yards. Arnold Powell, halfback, made 10 more yards up the middle. The Whitefaces being offsides cost them 5 yards. Ronnie Duncan, Whiteface halfback, made 5 yards off tackle.

The Eagles held the Herd to no gain on the next play. Then the Whitefaces lost 5 yards for being offsides. The Whitefaces were forced to punt.

The Eagles took the ball deep in their own territory. Hereford held them to a gain of 2 yards on the first play. An offsides penalty against Canyon was refused by the Whitefaces. Joe Kerbel, Eagle center, fumbled the ball and the Whitefaces took over.

Arnold Powell made a quick 12 yards off left tackle. Jim Haney then made 3 on the left side. Powell picked up 9 more up the middle for the Herd. Haney managed 7 more for Hereford. Duncan picked up 4. Haney moved 3 yards to put the Herd on Canyon's 2 yard line. A fumble set the Whitefaces back to the Eagle 8 yard line.

Ronny Brock, Eagle guard, broke through the Whiteface line and downed Austin Hodges, Whiteface quarterback, on the 12.

A pass attempt by Hereford was no good and the Eagles took over on their own 12 yard line.

Whinnery made 3 for Canyon. David Price then carried on a reverse for 6 yards. The Eagles failed to make a first-and-ten and were forced to punt.

The Whitefaces took over, and Haney gained 8 yards up the middle. There was a fumble by the Herd but they recovered. The Whitefaces made no gain the next down.

Canyon took over and halfback, Harry Lisle, made 7 up the middle. Lisle came right back for 8 more up the middle. Then Lisle picked up 4 around end. The Eagles failed to move the ball enough for another first-and-ten, and Lisle punted.

Haney made 4 off guard. Then the Whitefaces lost the ball on downs.

The Eagles took over, and Vance pitched to Evans for 8 yards.

Lisle gained 4 off right guard. Breitling kept on the optional and it was good for 8 yards. Vance gained 3 up the middle to set up the second score. Breitling went 6 yards for 6 points, and the scoring had begun.

The Whitefaces took over, and Powell made 8 up the middle. Haney too, went up the middle but for 13 yards. The Whitefaces fumbled and the Eagles took over.

Lisle gained 5 yards straight ahead. Then on the other side Whinnery made 4 up the middle. Price was thrown for a loss of 2. Whinnery regained the 2 yards, but the Whitefaces took the ball on downs.

Haney managed to make 3 off tackle. Powell plunged for 10 off tackle. Haney made 5 yards then 4 yards.

The Whitefaces took 6 more yards then they were given 15 yards which put them on the 12 yard line. They ran for 5 yards. Then on the next play they were penalized 5 yards and wound up on the 17 yard line.

Powell took the pigskin and drove 17 yards for a touchdown. Powell was good for 2 more points around left end. Eddie Johnson, Whiteface center, got off a long kick to the Eagles' 10 yard line.

Vance, Eagle fullback, returned the ball 30 yards. Hereford broke through the Eagle line and covered a fumble on the Eagles' 20 yard line.

Powell pickup up 4 off left tackle. The Herd lost 15 yards for holding. Haney gained 5 yards around right end. Powell made 9 more for the Herd.

The Whitefaces' pass attempt failed twice and the Eagles took the ball. Brietling lost 6 yards on a pass attempt.

Lisle carried the ball for the first down. The Whitefaces started the game rolling the second half with a good kick to the Eagles.

Canyon returned the ball 10 yards. Whinnery made 3 yards off tackle, then 5 off the same play. Vance gained enough for a first down for the Eagles, and started a long drive for pay dirt.

Bill Phillips, another Eagle fullback, carried for 6 yards, then for 3 more. Breitling picked up 2. Phillips hustled again for 8 more precious yards. Whinnery was good for 2 then 8 giving the Eagles four more downs.

Lisle picked up 5 yards up the middle. Phillips gained 2. Breitling made 1. Price ran the optional and 1 yard later gained 6 points for the Eagles.

The Eagles kicked to David Dowell, Hereford end, who returned the ball 10 yards. Powell drove for 9 yards up the middle. Haney made 7 around right end. Duncan and Powell each made 1.

Haney bounced back with 5 yards but failed to make a first for the Whitefaces. Canyon took over on downs. Vance made 3 yards off left tackle.

Lisle carried around end and ran into trouble so he pitched to Vance for a loss of 3 yards. Breitling gained 7 yards on the left side. Lisle punted for the Eagles. Powell fielded the ball and returned it 12 yards.

Haney made 9 long yards through the right side of the line. Then he picked up 6 more up the middle. Powell made 2 then Haney 3. Hereford quarterback, Hodges, connected with Powell for a 12 yard pass.

Haney made 3 up the middle, 5 through the right side, and then 5 more yards through the right side of the line. Powell picked up 3 yards and one play later he scored from the 2 yard line. Hereford tried to run for the extra points but fumbled.

The Eagles took the ball again on the kick-off, and Vance returned the ball 25 yards. Vance carried again for 3 yards. Price took the ball for 17 yards around left end and the Eagles were moving to another touchdown. Vance made 7 yards up the middle.

Lisle made 4 yards off tackle. Price gained 8 more yards around left end. Whinnery picked up 6 straight ahead, then 3 around left end.

Vance went 5 yards for a touchdown. Stanley Prichard, Eagle tackle, kicked the extra point, and the score was 23 to 14. Whinnery kicked to the Whitefaces for the final four plays of the game.

Dowell returned the ball 15 yards to the 45 yard line. Hodges completed a 10 yard pass to Eugene Green, Whiteface end, and attempted two more passes which were not completed. Time had run out, and the fighting Eagles had won their second triumph of the year by defeating the Hereford Whitefaces 23 to 14.

OTHER EAGLE GAMES

Four more Eagle teams played Hereford also in the past week.

The Freshman team won over the Whitefaces 20 to 8 at Hereford on Thursday.

The Eighth grade team also won over the Whitefaces 14 to 8 here on Thursday.

The Seventh grade team suffered a loss of 12 to 0 here against Hereford on Thursday.

The "B" team played Hereford there and were defeated 12 to 0 on Saturday.

Logan's Toe Shines As Buffaloes Rip Trinity

The churning legs of little Peter Pedro may be golden but the toe of Jerry Logan turned to platinum Saturday night as more than 15,000 saw the West Texas State Buffaloes swamp the Trinity Tigers 61-0.

Logan probably had the best night of his life as he sent the pigskin spinning through the uprights seven times in nine tries.

Not only did his educated toe do yeoman service for his team but the strapping left halfback crossed the double stripe three times to pace team mates in that department.

He racked up an astounding 25 points.

Pedro was second in the scoring department with two touchdowns.

Bill Turner of the Olton Enterprise summed up the sentiments of the crowd when he said, "Well, I came up here to see Pistol Pete run and I saw Pete run."

The Buffs eked out a 29-28 victory over Trinity last year but what had the earmarks of a contest in the first quarter soon turned into a rout.

Trinity was tired by half time and by the beginning of the fourth period the Tiger from San Antone was a harmless house cat.

Coach Joe Kerbel's charges scored almost at will. The Buff mentor cleared the bench and still the scoreboard flashed.

A passing threat flared momentarily in the first period. Jay McCarty, Trinity's fine passing quarterback, connected with four aerials in six tries to move the ball to the 12 yard line and give home town folks a scare.

Then the threat flickered out as the Buffs took over on downs. After that, the Buffs never were in trouble.

Kerbel even used several freshmen in an effort to hold scoring down.

In the touchdown department, Pedro was close behind Logan with two tallies. Ollie Ross, Earl West, Russell Mundy and Jerry Richardson each crossed the double stripe.

"I thought Logan did a fine job," declared Kerbel after the game. The Buff mentor also had a good word to say for Mundy. "He's a strong runner," Kerbel declared. "He's a good blocker."

He singled out Hoot Gibson, Jerry Richardson and Charlie Daves for their share of praise.

"Jim Cunningham did a fine job," he went on.

Ross suffered a sprained ankle early in the game but it was not believed to be serious.

Kerbel praised the work of his line both in offensive and defensive action.

West Texas ground out an impressive 510 yards from scrimmage while limiting the Tigers to 126. The Buffs tried 10 passes and completed three. They fumbled three times and lost only one of them.

The Buffaloes were forced into a punting situation only once during the ball game.

"We were just outmanned," said Tiger Coach W.C. McElhannon. "Pete Pedro is just as good as they say he is."

by Troy Martin

Along The Sideline

Joe Kelley, The Avalanche-Journal scribe, was here to see the Trinity game.

Joe, as usual, saw skullduggery. "Why Kerbel has been working them (the Buffs) out two months," he declared. "We've heard all about it. He has a ranch out here in the country with guards posted."

***

Wouldn't you know it. We have heard a few complaints because the score was run up on Trinity Saturday night. Kerbel cleaned his bench to hold the score down.

As a matter of fact, several freshmen played.

***

Back to Joe Kelley, the Lubbock sports writer says the West Texas-Texas Tech game was one of Tech's better gates last year.

He says the Raiders draw best when they are playing Southwest Conference foes.

***

Joe Kerbel will be playing against odds much greater than mere depth stacked against him when he goes to Lubbock Saturday.

He will be playing in a contest where he has had little choice in selection of the officials.

Also he will be playing a team which has had the Buffaloes well scouted. West Texas has had no opportunity to scout the Raiders as Saturday's tilt with WT is their opening game.

Probably the most staggering disadvantage is in the fact that the Raiders wll be playing at home.

***

Ponder what avenues of violence the American people would choose to give vent to their frustrations if it were not for the game of football.

When you have thought on this a time we seriously doubt that you would say the sport serves no good purpose.

Out of Orbit

Eagles To Meet Wolves Friday

By GARY LEE

The Canyon Eagles and the Dalhart Wolves will each be trying to pin the first loss of the season on the other as the Eagles go to Dalhart this Friday.

The Eagles, looking good this year, are out for revenge of their 15 to 45 loss last year.

The favored Wolves went all the way to regional in the state play-offs last year where they were defeated by Quanah.

The Eagle starting line up will be the same this week as last with the exception of Davis Price who will be starting quarterback instead of Donald Brietling.

Eagle head coach, Jeep Webb, said he expects the Wolves to be about as strong as they were last year. Webb also stated that he expects the game will be as tough a one as the Eagles have played this year.

Dalhart hasn't got as much speed this year as they lost their speedy halfback, Tommy Ledbetter.

The Wolves have defeated two teams this season: Guymon 46 to 0 and Clayton 43 to 0.

The Eagles have also defeated two teams this season: Dimmitt 13 to 0 and Hereford 24 to 13.

Data Processing Course Offered At West Texas

By TROY MARTIN

West Texas State College will be offering a course in Data Processing this year.

In use will be seven IBM machines leased at a cost of something like $3,000 a year.

Teaching the course will be Durwood Henderson who has been with the School of Business here for the past six years. Durwood spent most of the summer studying the machines under IBM company supervision.

He said the purpose of the course actually is to demonstrate the importance of such machines in the field of business. However, as a by product the students will learn to operate them.

The punching machine punches information onto IBM cards. A verifier verifies the information placed there. It is simply a means of checking the accuracy of the original key punching.

A second operator verifies the original punching by depressing the keys of the verifier while reading from the same source data. The machine compares the key depressed with the hole already in the punched card. A difference causes the machine to stop, indicating a discrepancy between the two operations.

Durwood Henderson proudly shows off some of the IBM machines being used in the data processing course offered this year by the West Texas State School of Business. Durwood will teach the course.

Another machine performs a sorting operation. Sorting is the process of grouping cards in numerical or alphabetical sequence according to any classification punched in them. To group cards by account, for instance, they are sorted into account sequence. This makes possible summarizing the cards by account.

A merging machine combines from one set of punched source cards is automatically punched into another set of cards.

The reproducing machine reproduces from one card to another like copying from one record to another. Information

An interpreting machine will translate the holes of a punched card into printed information on an IBM machine.

two sets of punched cards into one set of given sequence. Both files of cards must be in the same sequence before they are merged.

This function makes possible automatic filing of new cards into an existing file of cards.

An accounting machine does detail printing or printing of information from each card as the card passes through the machine. The function may be used to prepare reports that show complete details about each transaction.

The accounting machine also does group printing. This function summarizes groups of cards and prints the totals on a report. Totals may involve adding, subtracting or cross-footing.

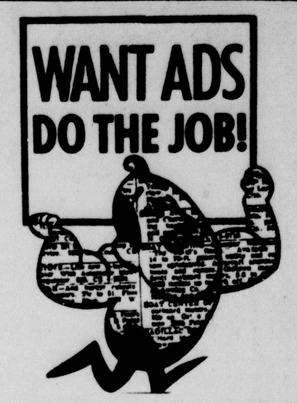

Henderson said primary use of the machines will be that of instruction. However, they will be used by the college business office and possibly by the registrar.

The elementary machine course to be offered at West Texas will be called punch card methods. Day and night classes will be offered.

Next spring a more advanced course is in prospect.

A night course on computers to be taught by Jerry Sullivan will be offered here this semester.

Henderson is from Olney. He holds a masters degree from North Texas State.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

Bogeleena belonging to J. K. Fulton of Lubbock was named grand champion mare of the quarter horse show sponsored by the Jaycees here last Sunday. She is being exhibited here by Jack Adkins.

Lubbock Horse Named Show's Top Stallion

Grand champion stallion of the Jaycee quarterhorse show held here last Sunday was Raider's Streak owned by Ethan Labrier of Kenton, Okla.

Reserve champion stallion was Joe King Cody belonging to Frank Jennings of Amarillo.

Grand champion mare was Bogeleena belonging to J. K. Fulton of Lubbock. Reserve champion mare was Pretty Trouble belonging to Preston Martin of Roswell, NM.

Grand champion gelding was Bob's Excuse belonging to Regar Ranch of Woodward, Okla., and the reserve champion gelding was Shiek Lee Hill shown by Roy H. Lee of Roswell, NM.

In the performance division Susie Prom owned by Orville Hicks of Canyon tied with Redskin Prince owned by J.B. Gibbins of Midland for first place in senior cutting.

Hollywood Line owned by Gayle Borland of Hereford was first in junior cutting. Pampa Cowboy owned by Caruth Saber Ranch of Dallas was second.

Miss Fan Cody owned by Melvin Bachman of Dalhart was first in senior reining while Cueball's Cupid owned by Doyle Stowe of Clovis, NM, was second.

In junior reining Stampede Doll owned by J.K. Fulton of Lubbock was first while La Joita owned by Doyle Stowe of Clovis, NM, was second.

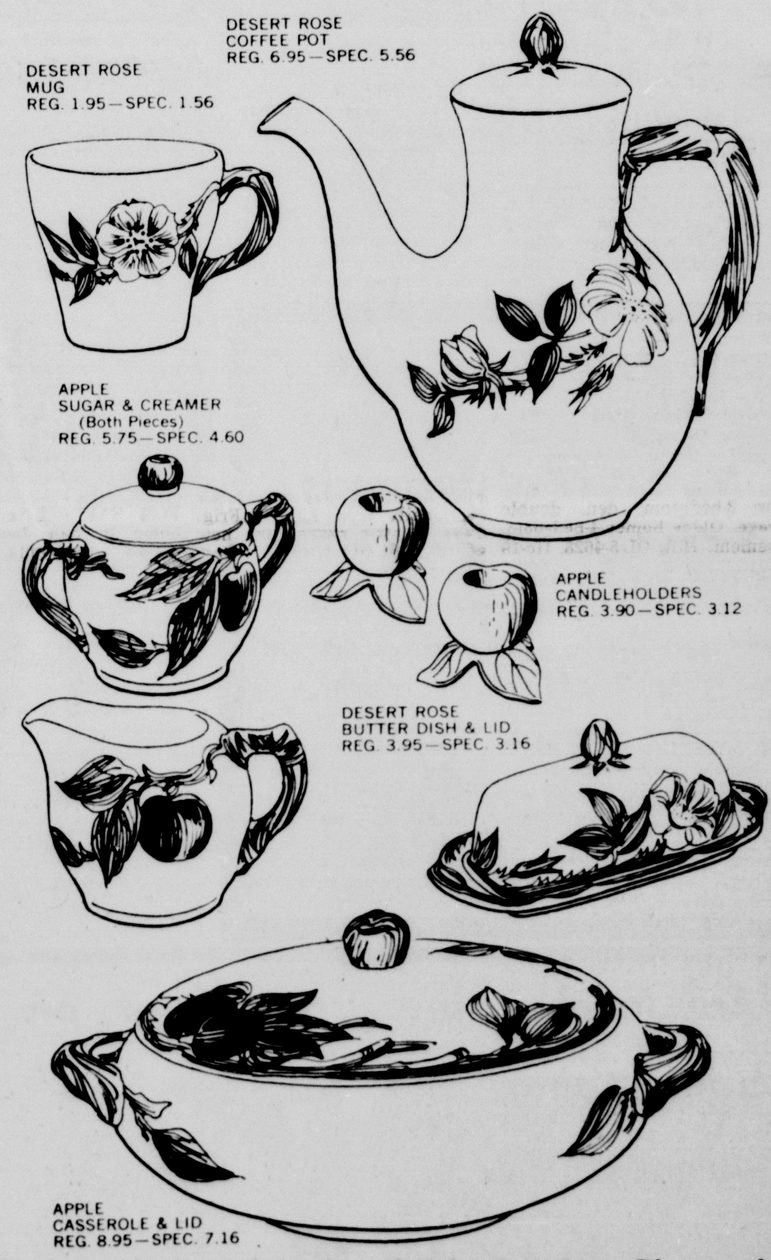

There were 115 entires in the show. Show manager was Chan Foster. The judge was Welson McConnell of Dalhart. Jaycee Ettes kept the entry booth.

Working at the booth were Mrs. Charles Peckenpaugh, Mrs. Bob Wilson, Mrs. Wayne Wirt, Mrs. O'Dell LaGrone, Mrs. Richard Pruett, Mrs. Charles Marshall, Mrs. Chan Foster, Mrs. John Taulman, Mrs. Dick Ellis, Mrs. Carroll Poole and Mrs. Allen Parsons.

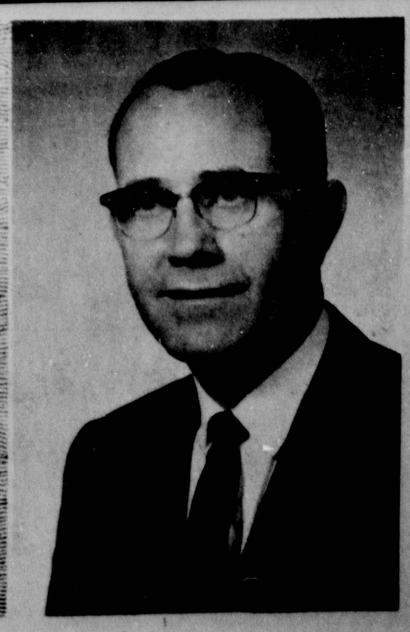

Mr. and Mrs. Logan Walters attended the funeral of Mr. F.E. Wilson Friday in Amarillo. Mr. Wilson was an uncle of Mrs. Walters.

Former Canyon Woman's Rites Are Held Here

Funeral services for Mrs. Susie Roberta Wederbrook, 70 years old, Hereford, were held Wednesday.

Mrs. Wederbrook was a native of Canyon. She had lived at Hereford for the past 49 years. Burial was in Dreamland Cemetery at Canyon.

She died at 12:55 o'clock Tuesday morning in an Amarillo hospital.

She was a member of the Presbyterian Church.

Survivors include her husband, Pat; two daughters, Mrs. Jimmie Hartnett of Amarillo and Mrs. W.D. Jones of Dumas; two sons, Jack of Hereford and Vernon of Middletown, Cal.; two sisters, Mrs. W.D. Hicks of Wichita Falls and Mrs. A.H. Word of Denton; and six grandchildren.

"I Hold The Key Or My Success Depends On Me"

A New And Inspirational Booklet Of 300 Choice Quotations From The Sages Of The Ages.

by Joseph A. Hill

A Panhandle editor calls it "a soul lifter". Another phoned for 100 copies for gifts. Still another prominent citizen of this area has ordered a dozen copies. A businessman wants a copy for each of his employees.

On sale at Haley Printing, the College Book Store in Canyon. Price .75 cents for paper binding; $1.20 for board. By mail 10 cents extra.

Pastors Meet At West Texas

Approximately 40 Baptist pastors of the Amarillo Baptist Association met here on the campus of West Texas State College Monday for their weekly fellowship meeting.

The group met at the Baptist Student Center for luncheon, and Dr. James P. Cornette, president of WT, spoke. The Rev. James Dunn, director of the Baptist Student Union at WT, presented an outline of the BSU program at WT.

Hilltop Views

"Lost! Somewhere between sunrise and sunset, two golden hours, each set with sixty diamond minutes. No reward is offered, for they are gone forever."

Horace Mann, one of the founding fathers of the American public school system, is the author of the above gem; and a lot of us will do well to ponder it.

Another great American, Benjamin Franklin, said: "If you love life do not squander time, for it is the stuff life is made of."

Old Socrates, more than 2000 years ago, spoke wisely when he said: "He is not only idle who does nothing, but he is idle who could be better employed."

He who has learned to invest his time wisely has found the best investment life offers; and he who squanders time squanders his opportunity to succeed. He writes in his own book of life a sure guarantee of failure.

These and some 300 other priceless truths which have come down to us through the years are contained in a booklet whose title is "I Hold the Key or My Success Depends on Me." It is aimed at all who desire to improve themselves, but especially for college and high school young people.

This booklet, compiled and edited by the writer of this column, hopes to reach down into the soul-depth of at least a few Panhandle boys and girls and set them on fire for God and country.

I regret that it is necessary that I sell it. If I were financially able I would place a copy free of charge, in the hands of all who might want it.

The booklet is on sale at Haley's Printing Office, at the College Bookstore and will probably be sold on a commission basis by a college and a high school student organization. Also, orders will be accepted by the Ex-Student Association at West Texas State. The price is seventy-five cents for paper backs and $1.20 for hard backs. By mail 10 cents extra in each case.

Only 1000 paper backs and 500 hard backs were printed. One South Plains editor has ordered 100 copies--not to be sold, but to be used as gifts at Christmas, birthdays, etc. Others are sending in repeat orders.

And speaking of money, that old homely philosopher, George Lorimer, once said: "It is good to have money and the things that money can buy, but it is good, too, to check up once in a while and make sure you haven't lost the things money can't buy."

It is the purpose of "I Hold The Key" to help people to find and to keep invaluables that money can't buy.

FAR-REACHING ROOTS

AVALON-O FEATURES

Letter To The Editor

Canyon High School needs a boost! To support taxes and to build and equip schools is not enough. The students, who are working so hard to become first class citizens, need the loyal, enthusiastic and visual support of all the adult members of the Canyon School District. It is for this reason that we have organized a Canyon Eagle Booster Club.

You say, "A Booster Club is to support football and I am not interested in football." Certainly it boosts football, but think of what else it boosts. About one hundred boys and girls spent many hours a day for weeks before school started practicing for the Canyon Eagle Band. They are still working several hours a day--outside of regular class time--rehearsing their music and their marching. For what? Love of music? A chance to wear a good-looking uniform? An opportunity to march miles every week? Some, maybe, but most of these boys and girls realize that they give their team and their school spirit with their music. If we adults are Canyon Eagle Boosters, we add our spirit to theirs.

The girls who spend long hours working up cheers for the student body deserve our support. Of course the cheerleaders have fun but they know a well-coordinated yell can express a united school spirit that won't be defeated.

The entire Canyon High School Student Body should be able to feel that the people of Canyon are in back of them one hundred percent. Every student cannot be on the football team but that team is their team and they can share the joy of competition, the hard lesson of profiting from a defeat and the wonderful lift a victory brings. A boost from us when these boys and girls are engaged in healthy, spontaneous fun is far more valuable than our censure when occasionally they make a mistake.

What about this football team that is responsible for bringing to light the need for a Booster Club in Canyon? These are not just average high school boys. Physically they range from 5'4" to 6'5"--from 140 pounds to 200 pounds. Mentally they easily dispel the notion that a football player is a big dumb cluck whose one gift is a well-coordinated body. In addition to being physically and mentally alert, they are endowed with a spirit of competition and the ability to accept hard work. These boys gave up two weeks of their summer vacation, as well as two evenings a week all during vacation, so that they would be better fitted to play football when school opened. They spend from three to four hours after school every day in practice. They learn to ignore the physical discomfort of cuts and bruises. They accept a curtailment of their eating habits and social life. These boys all have a will to win but that determination could be immeasurably increased if each boy knew that every time he lined up for a play he had five thousand loyal, hard-pushing boosters to back him up. Each booster can add to the spirit of each player. Each booster can absorb a little of the shock of the hard knocks. Each booster can share in the joy of a well-executed play.

What makes a winning team? (For that matter, a winner of any kind?) Good material? Yes, but we have that. Good coaching? Yes, but we have that. Good equipment, good practice fields? We have all the ingredients but the Canyon Eagles have not been State Champions or even District Champions for a long time. The winning teams are the teams that have the home town solidly behind them. These towns don't wait for their teams to win a title but give continuous support so that it is possible to build to victory through bad times and good. This must be rewarding as everyone has the thrill of being part of the winning team.

How about it Canyon? Let each of us be a Canyon Eagle Booster. Let's give the Eagle of Canyon a chance to soar to the heights it deserves.

Signed: Canyon Eagle Booster Club

Roscoe Richardson
President

County Agent's Column

The election for a supervisor in zone 4 of the Randall-Potter Soil Conservation District will be held in the Farm Bureau Building on the night of October 2. Zone 4 includes the northeast portion of Randall County. Marshall Rockwell is the present supervisor. He has served the district since its organization was begun.

***

Randall County exhibitors at the Tri-State Fair seem to be doing right well. Preliminary results show that the agricultural and horticultural crops received a fair share of the ribbons. Swine and dairy cattle have not been judged but local breeders are expected to make a strong showing. Entries made in the other departments usually cop their share of the awards.

***

Refund claims for federal gasoline tax must be sent in before October 1. This claim is for gasoline used on the farm for farming purposes. Claims filed after this date will not be recognized. Remember this is for the federal portion only. The State gasoline tax refund is now made on an annual basis within one year of its purchase.

***

Order blanks for purchasing windbreak tree seedlings from the Texas Forest Service has been received at my office in the courthouse. Again a good supply of a promising assortment of seedlings will be available for windbreak plantings. The seedlings will be delivered to folks in Randall County by mail in March. The cost this year will again be $1.50 per hundred plus tax.

***

Harvesting of the very early fields of grain sorghum is beginning over Randall County. The big run is not expected for another two to three weeks. The crop this year is a good one. Some new yield records will be made. Many fields are carrying more weeds than usual due to the prolonged wet spells soon after planting and the weeds will reduce yields and interfere with harvest.

***

Wheat planting will resume this week after spotted rains the past week. Sufficient plantign moisture was received in many portions of the county. Some growers will be waiting for another rain before starting up the grain drills.

by Troy Martin

FROM THE CANYON RIM

As we have been saying for a long, long time, Senator Ralph Yarborough has the respect and cooperation of neither the liberals nor the conservatives in Washington.

Even John F. Kennedy has snubbed the senior senator from Texas.

During a visit last week to Houston, the President conspicuously did not invite Yarborough to go along. Lyndon Johnson and John Connally, arch enemies of vociferous Yarborough, were honored guests of JFK on the tour.

The question is: How long will Texas be without a senior senator?

***

You farmers who have been looking forward to sugar beets as a cash crop should know how your congressman, Walter Rogers, voted on the sugar beet bill.

The vote of Rogers, who verbosely describes his services to Panhandle agriculture, was nay on a bill which can bring millions to the farmers of this area. Not only that, but it probably will bring a $20 million sugar processing plant to Hereford.

The bill breaks the rigid limitation on domestic sugar and gives to Panhandle farmers a portion of the quota formerly enjoyed by foreign producers.

How do you explain your nay vote, Mr. Rogers?

***

We received a newsletter from Rogers for release in this week's paper. In it he blasts the Executive Department and the Judicial Branch for seeking to "rob the American people of their constitutional authority through their duly elected representatives in Congress."

This is the same Walter Rogers who told us early this year he fears to speak out on the floor of the House, a job he's paid for, for fear of losing influence.

This is the same man who sat on the platform with and campaigned for John Fitzgerald Kennedy in Amarillo two years ago. Kennedy is the architect of the piracy of which Rogers speaks.

***

Some weeks ago Rogers was challenged to a debate by Jack Seale, his opponent in the race for Congress. We called Rogers as a newsman.

Having spent the past ten years or so in Washington, Rogers naturally hedged. He promised to send us a copy of a letter he was about to draft in reply to Seale. We haven't received it yet.

***

Dr. J.A. Hill has another book out. It is entitled "I Hold the Key or My Success Depends on Me".

It is a book of inspirational quotations. We hope everyone in Canyon will avail themselves of it.

***

Here's one for the books. Stacey Ann Lisle, 10 months old, daughter of Mr. and Mrs. Roy Lisle hadn't said a word until last week.

She was in her stroller in Western Auto Store last week playing with a piece of cardboard. She dropped it and Bud Parker retrieved it for her.

"Thank you!" she said with perfect enunciation.

Both Bud and Stacey's mother were flabbergasted.

Six Hurt In Mishap

Six youngsters were injured, none critically, in a traffic accident which smashed up a car and a pickup truck on Twenty-third Street in front of the Dairy Freeze.

Injured were Dean Schicadenze, 15; James Ellis Boyd Jr., 18; Albert Kellar, 19; Reggie Reeves, 16; Steve Merchant, 11; and Richard Merchant, 15.

Boyd suffered fracture of the left arm, mild concussion and cuts about the face. Schicadenze suffered concussion. Kellar, Reeves and the two Merchant boys suffered minor injuries.

All who were hospitalized had been released by the early part of the week.

Young Reeves, operator of the car, had been driving north and was in the process of making a left turn to the Dairy Freeze at the time of the mishap.

Boyd, who was driving the pickup, was traveling south. The pickup crashed into the car. Both vehicles were badly damaged.

Schicadenze and the two Merchant boys were riding with Reeves. Kellar and Jerry Lee Moore were in the pickup with Boyd.

The accident was investigated by City Patrolman Ray Reynolds.

Canyon Folks' Relative Dies

Mrs. Cora LaGrone, 90 years old, grandmother of Jerry and O'Dell LaGrone died Sunday night in an Austin hospital.

She had been making her home with a daughter in Austin.

Funeral services were held Tuesday in Comanche. The two grandsons from Canyon attended.

NORTH RANDALL NEWS

Mr. and Mrs. Evert Johnson and family drove to Clarendon Saturday to attend the Fair. Mr. Johnson showed the Bar S Quarter Horse Farm, Mare and Colt. The Mare took 2nd place in her class, and the Colt took 3rd place.

***

Mr. and Mrs. Tom Detten and family were breakfast guests in the home of Mr. and Mrs. Bob Detten and family, Amarillo, Sunday morning.

***

Mr. and Mrs. Joe Detten and Debbie were supper guests in the home of Mr. and Mrs. Tom Detten and family at Rim Ranch, Sunday evening.

***

Mrs. Ray Detten was recently honored with a birthday dinner in the home of her mother and father-in-law, Mr. and Mrs. Robert Detten, Route 2, Amarillo. Guests included Mr. Ray Detten and family, Mr. and Mrs. Bob Detten and family, and Mr. and Mrs. Joe Detten and Debbie, all of Amarillo, and Mr. and Mrs. Tom Detten and family of Claude.

***

Guests in the home of Mr. and Mrs. Bobby Johnson, Sunday were Mrs. Johnson's parents, Mr. and Mrs. Henry Wilson of Ashtola.

The O'Donald twins celebrated their 84th birthday recently with 54 relatives present to help them. S.O. lives here and has been a resident of Randall county for the past 40 years. His twin, M.O. is from Melrose, N.M. The party was held at VFW Hall. Their only sister, Mrs. Mary Williams of Fort Worth was present. She is 80 years old. Six of S.O. O'Donald's eight children and three of W.O. O'Donald's four children were present. Three of S.O. O'Donald's children live in Canyon. They are Rusty, Cecil and Dan.

by Mrs. J.W. Wesley

Fairview Breezes

The Rev. John Sullivan delivered an excellent sermon for us Sunday morning. We had 18 present for Sunday school and church.

***

Election of officers was held and were elected as follows: John Patterson, Superintendent; G.E. Wesley, Assistant Superintendent; Gloria Sullivan, Secretary; Mary Jo Sullivan, Adult Teacher; Lizzie Wesley, Young Peoples Teacher; Annie Wesley, Junior Teacher; Marsha Sullivan, Primary Teacher; Gloria and Marsha Sullivan will alternate in leading singing and playing the piano. John Patterson was elected as Messenger to Worker's Conference at Floydada. The Rev. Sullivan will also be a delegate and G.E. Wesley will alternate.

***

Mrs. Mary Jo Sullivan was ill Sunday and unable to be at church.

***

Mr. and Mrs. Kenneth Palvador visited the John Pattersons over the week end and attended church services.

***

We were happy to have the Leo Carlson family in Sunday school and church Sunday.

***

Mr. and Mrs. G.E. Wesley visited their daughter and family Mr. and Mrs. H.H. Shipman Sunday afternoon.

***

Mr. and Mrs. M.J. "Bill" Wesley and her son Bobby Ward of Peyton, Colo. and Mrs. Velma Eudy of Amarillo visited a short time Friday afternoon in the home of Bill's uncle, Mr. and Mrs. G.E. Wesley. They were en route to Plainview to get his daughter Mrs. Neeta Ann Ward and her daughter who were visiting Neeta's Aunt Verna Merle Miller near Plainview. They then went back to Amarillo to visit with the Eudys.

***

Mr. and Mrs. Charles Miller, parents of Mrs. Elvin Wesley are slightly improved and have been moved from the hospital to the home of a daughter.

***

Mrs. Raford Shipman took her mother Mrs. E. W. Schaeffer to Canyon Wednesday.

***

We received word from our good friends Mr. and Mrs. Earl Ketner who formerly lived in our community. Mr. Ketner is in the hospital and has been ill for some time.

***

Mr. and Mrs. J.W. Miller visited Wednesday with Mr. and Mrs. Gus Miller in Canyon.

***

Ed Turner, Ella Hext, and Mr. and Mrs. J.W. Wesley visited Wednesday evening in the Woodrow Wesley home. Ella and Ed took Pauline Wesley to Amarillo where she left by bus for a trip to Calif.

***

C.R. Wesley, Neal Barnard, and Carly Stephens hauled hay for J.W. Wesley Saturday.

***

Woodrow Wesley was in Amarillo several days this past week.

***

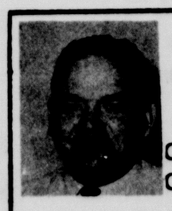

Mr. and Mrs. Charles Wilson entertained friends with homemade ice cream Saturday night. About 20 guests enjoyed the party.

***

Richard Evans narrowly escaped serious injury when his foot slipped while filling the drill with wheat. He and his wife finished sowing wheat at their farm near Adrian and returned home Thursday.

***

Mr. and Mrs. Richard Evans will accompany her sister Edith and her daughter to Mo. sometime soon. Ora and Edith grew up in Mo. and have a number of relatives there.

Jean Triplett First Girl On Judging Team

By TROY MARTIN

Jean Triplett, a 23-year-old coed from Farmington, N.M., is the first girl ever to serve on a West Texas State College livestock judging team.

Jean fell in love with cattle at an early age. She hopes to ramrod a feed lot here in Randall County some day.

The flaming redhead is using money she won with projects in 4-H Club back in high school to help pay her way through agricultural school. Jean also works as a waitress part time at a local cafe. She is majoring in animal husbandry.

Miss Triplett became interested in agriculture when she was 12 years old. She and her younger brothers were entrusted with care of the family farm while her dad was employed elsewhere.

They started raising registered herefords and it wasn't long until they had a herd with which to be reckoned in New Mexican livestock shows.

In 1956 Jean exhibited the reserve grand champion bull at the New Mexico State Fair in Albuquerque.

"My 4-H projects are putting me through college," she declared.

Jean was graduated from Farmington High School in 1957. Next spring she will receive her sheepskin here at West Texas State.

She plans to go to South America upon graduation to work in the cattle industry for experience.

"I want to go as an employee of a packing company," she said, "but if I can't get a job, I'll go with the Peace Corps."

Jean has about a B plus average for her college work.

She said she came to West Texas State because this is cattle country and she believes the area's future is feed lot industry.

She pointed to the abundance of feed near at hand as basis for this contention. Miss Triplett believes the milo grown here is as good as corn for feeding if cattle are given a supplement to provide vitamin A. That may be found in alfalfa or just added as a supplement, she declared.

She says she will enter feed lot business here in Randall County when she returns from South America. "I feel that feeding cattle has a tremendous possibility in this country and now is the time to get into it," she declared.

Jean has a leaning toward corn as finishing feed but says milo can be just as good.

"I'm just used to feeding corn," she said. "I also like to feed ensilage."

Miss Triplett believes that feeding is one of the best methods for farmers to realize a profit from growing feed grains.

She pointed to the fact that packing plants are moving out of such areas as Chicago and St. Louis and getting closer to the points where cattle and hogs actually are produced.

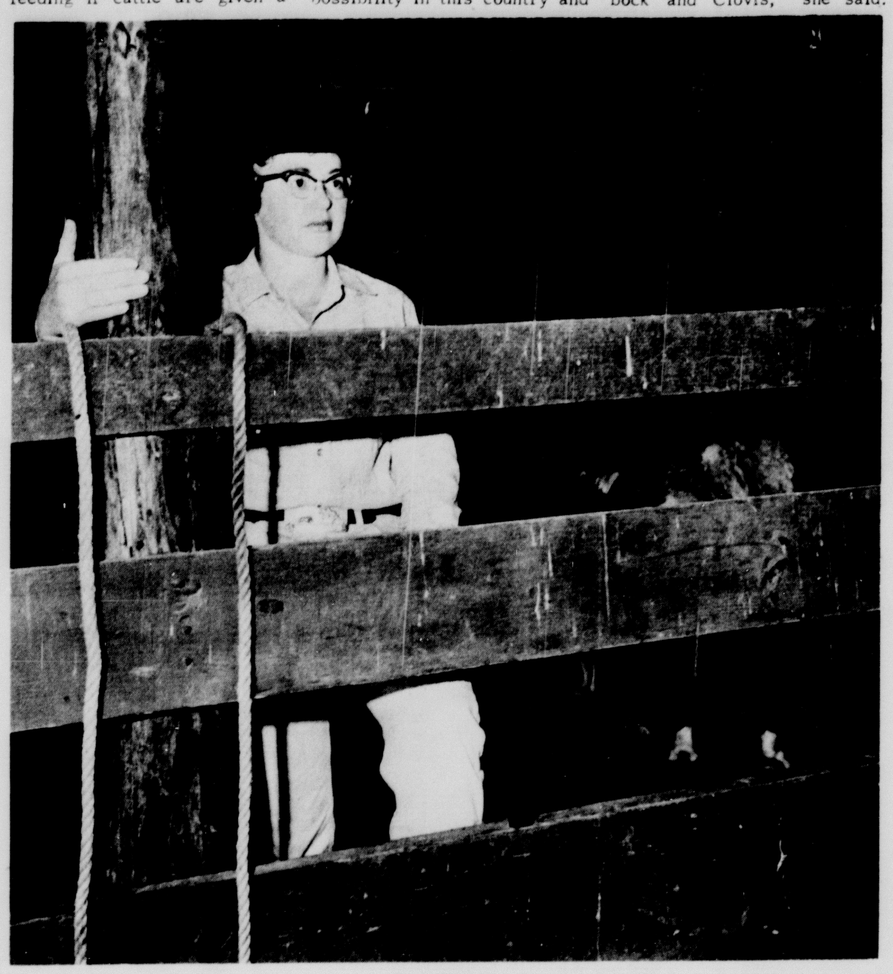

"I think feed lots and packing industry mean a great deal to the future of Amarillo, Lubbock and Clovis," she said.

Miss Triplett expressed hope that the government will never interfere with the cattle industry. "We can get along without government help," she declared.

"Anytime the government starts to mess around with natural balance the result will be bad," she declared.

Jean also likes farm machinery and enjoys running a combine.

"I just love to farm," she said. "I like to see things growing and I like to be right out in the middle of it."

Jean Triplett is shown here at the West Texas State farm north of town. Jean is the first girl ever to serve as a member of a West Texas livestock judging team.

Porcupine Killed Here

I.L. Bauer Wednesday night of last week killed a porcupine in the yard of Mrs. Walt Barlow, 304 Third Street.

Mrs. Barlow sent out an SOS when she discovered a strange animal in her yard. Her husband was away from home at the time.

Bauer, who lives at 211 Fourth Avenue, went to the rescue. He at first thought the animal was a coon but after killing it he discovered it was a porcupine.

SCD News

Underground irrigation pipelines have been installed on the following farms: Leroy Lamb, Edward Wick, Gary and Glen Wagner, R. D. Friemel, John D. Menke and the Ransom Brothers.

Two diversion terraces have been built on the Quentin Gill farm, also some terraces. Two diversions were built on the Tom Gooch farm and two diversions were run on Mrs. Eva Anthony's farm. These diversions were laid out and built to Soil Conservation Service specifications and will help control the run off from heavy rains. The diversions on the Gill farm will empty in a grassed waterway. The others empty on Native grass pastures.

Row directions and high points and divides have been located on the W.T. Smoot farm and on the E.L. Barnett farms.

These are for irrigation from lake pumps which will be installed. The plans are to utilize the large amounts of water in the lakes to water wheat ground.

A large stock tank is being dug on the Friemel Est. land. This will help in storing run off water and help in getting uniform grazing in the pastures.

If you are in need of some diversions, terraces, ponds or pipelines contact your local SCS technicians at the Canyon Court House.

Here's how Gas heat COOLS your home!

Cooling with a Gas flame combines four simple laws of nature. The ARKLA-SERVEL Sun Valley* GAS air conditioner employs them to produce the finest air conditioning science has yet devised!

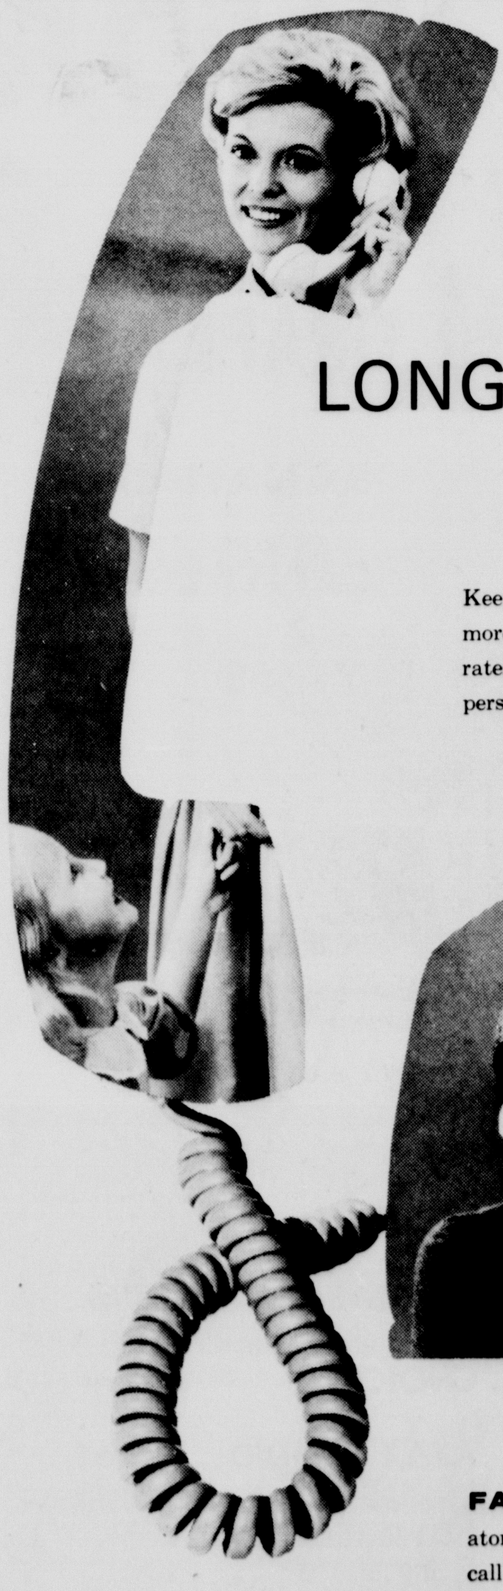

First, BOILING, as in a percolator, moves the liquid refrigerant to the top of the unit in the form of vapor. Secondly, CONDENSATION, as on a glass of cold water, occurs, converting the vapor back to liquid. Next, EVAPORATION provides the chilling effect, just as blowing upon your hand, when wet, makes it feel cool. Last, is the ABSORPTION of the vapor by a salt solution called lithium bromide, in the same manner as table salt absorbs liquids. The liquid then returns to the "percolator" to start the cycle over again.

This is why an ARKLA-SERVEL Sun Valley* GAS air conditioner has no moving parts to wear out or break down, and why it 1) has a life expectancy of three-to-four times that of an ordinary air conditioner, 2) does not lose its efficiency with age, 3) operates with a minimum of service or repair, and 4) maintains its low operating cost throughout the life of the unit.

All these reasons add up to LOWEST OWNERSHIP COST . . . and make ARKLA-SERVEL Gas air conditioning truly the wisest investment you'll ever make for your home.

Dr. and Mrs. James Ma and his mother, Chin-Wei-Ma, pose in front of their home. Dr. Ma is a teacher at West Texas State College.

Chin-Wei-Ma Prefers Hot Rolls, Chicken

By GLENNA WILSON

Expecting the usual friendliness and hospitality of the Chinese, one is not to be disappointed in a visit with Chin-Wei-Ma of 2616 2nd Ave. in Canyon.

Even though her English vocabulary consists only of "Please, sit down", "Thank you" and "Good-bye", a visitor is readily at ease in her presence as her son or daughter-in-law, so graciously interpret her mandarin or Foochow dialect.

Chin-Wei-Ma is the mother of Dr. James Ma, teacher of Finance at West Texas State. After arriving in the United States Jan. 23 of this year, she spent some six months with another son in San Jose, California, before joining Dr. and Mrs. Ma in Canyon.

Born in China May 15, 1887, Chin-Wei-Ma left the mainland in 1948 to live on the Island of Formosa. A widow of some 25 years, she is the mother of three sons and one daughter, ten grandchildren and one great grandchild. Speaking of the beauty of Formosa, she smiled as she was asked, "Do you long for your homeland?--then answered emphatically, "No!--why should I?--my sons are here!"

Glad to be in America, Chin Wei, attired in typical Chinese dress of lovely blue brocade spoke of being much impressed with the American woman. Living in a land, where for many years, women lived very comfortably, surrounded by servants, she is amazed at women who "do so many things--keeping house, paying bills, shopping, cooking, sewing, laundering, caring for children, going to school, and holding jobs."

"I am also very much impressed with your super-markets--their tidy shelves, the cleanliness and order of such great supply."

But the most astounding thing that seemed to impress Chin-Wei was the fact that she and her family were able to leave home for a day or two, and return to see a package, delivered to them in their absence, still hanging on the mailbox. "In our land," she explained, "we had to hire someone to keep thieves from our home while we were away."

Chin-Wei-Ma, who likes to laugh and be happy, has been a Christian for many years, the church of her choice in America being "The First Christian".

Although her family is closely bound together, she is becoming more and more convinced that the old Chinese tradition of more than one family or generation living together in one household is not the best plan.

With visions of dainty bits of rice with fish and items on a menu we could not pronounce, or attempt to spell, we were altogether surprised after asking, "What is your favorite meal?" because Chin-Wei-Ma answered with gusto, "Hot rolls and fried chicken!"

Mr. and Mrs. Harold Hendrick and son Greg have been visiting with her parents, Mr. and Mrs. J.L. Riley. The Hendricks now are living in Farmington, N.M., where he is employed by Byron Jackson Pump Company.

Jess Rhodes Opens Firm

Jess L. Rhodes has opened an accounting and tax service in the same building formerly occupied by Duane Howard Agency.

The Duane Howard Agency has been dissolved and the credit bureau and insurance agency now will be operated by Hosea Foster, Agent. The bookkeeping and tax service will be operated by Rhodes.

Rhodes, a certified public accountant, has had considerable experience in the field. He presently is employed as associate professor of accounting at West Texas State College.

Rhodes and his wife, Pauline, live at 2414 Ninth Avenue with two of their children, Judy, 16, and Stephen, 9. Their eldest son, Lynn, is a senior at Harding College, Searcy, Ark.

Jess and Pauline are members of Central Church of Christ

Church To Show Two Films Here

Two films are being shown this week by the First Assembly of God Church.

One was shown Wednesday night. It was called "The Miracle Worker." The other will be shown at 7:45 o'clock tonight (Thursday). It is entitled "Filipino Passion".

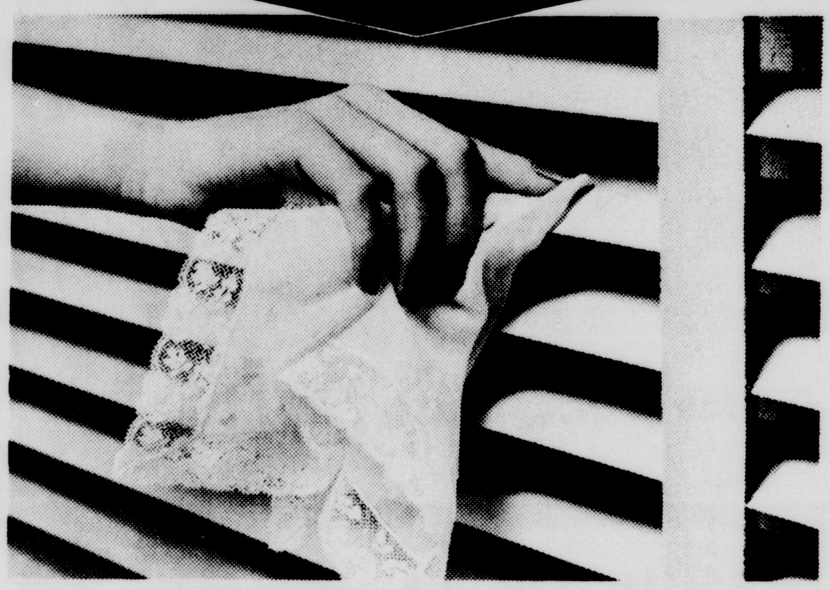

Pastor of the church is Rev. A.J. Pettit.

D. R. Erskin, Medford Trailer Park, holds a rattlesnake killed in the yard of his daughter, Mrs. Rex Griffin. The rattler had five rattles and a button.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL 5-2141, or stop by the News office on the west side of the square.

LOOK HOW CLEAN MODERN ELECTRIC HOME HEATING IS!

EVEN A SNOW WHITE HANDKERCHIEF STAYS CLEAN WITH ELECTRIC HEAT

From home after home where electric house heating has been installed, you hear comments like these.

"Dusting is practically unnecessary . . ."

"Drapes just never seem to get dirty."

"We haven't had to redecorate in years."

And, then, electric heat homeowners volunteer information like,

"There just aren't any cold drafts or hot blasts."

"We've never felt so completely comfortable."

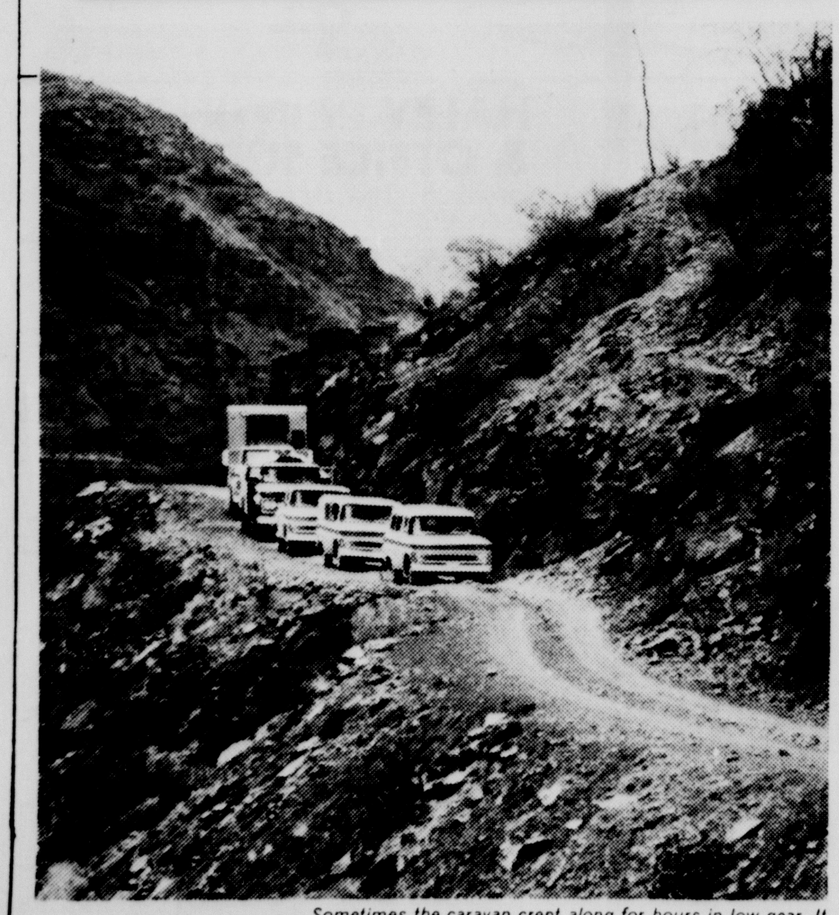

"It's amazing, there's just no maintenance to pay for or worry about."

Clean and comfortable — that's electric heat. And more economical than you believe possible. Ask your Public Service manager about electric heat — including a special heating rate.

Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

WHITE AUTO STORE
BILL TAYLOR OWNER
1609 4TH AVE OL5-3831

Mrs. John Burns does a little shopping for the family. Going along for the ride is John Patrick, 2 years old. The young lady beside the shopping cart is Pamela Kay, 5. She's too big to ride in the cart anymore but she loves to go to the grocery store. They are shown here at Cooper's.

Football Wife Has Busy Time Caring For Family

By TROY MARTIN

Football wives can live a pretty lonely life during grid season.

However, Mrs. John Burns, whose 225-pound husband is playing guard for West Texas State this year, is not among that number.

She has two lively children to keep her busy while her husband is away at practice or on road trips.

To her friends Mrs. Burns is just Judy, a vivacious young housewife of 21. When her husband transferred to West Texas State from San Bernardino Junior College, Mrs. Burns says she came to Canyon to be a part of the community.

She says she likes Canyon and the people here are the friendliest she ever saw. She shops downtown stores and takes her two kids along. The children enjoy the outing and Mrs. Burns says she enjoys chatting with friendly Canyon folks while she shops.

John and Judy were married while still in high school. She was 15 years old and he was 16. Little Pamela Kay has just about grown up around football.

John and Judy both finished high school at their hometown, Barstow, Cal., and John continued his education at San Bernardino.

John played football both in high school and in junior college.

Judy's job is tied to the gridiron. She is employed in the office of Athletic Director Frank Kimbrough.

Judy says football has helped him further his education and also John just likes to play football. He is a business major and probably will hang up his helmet and shoulder pads for a place in the business world when he gets his diploma.

Judy loves football too. She knows the formations and likes to watch the games. She says she will be glued to the radio when the Buffaloes are on the road this year.

As a matter of fact, she often helps John in studying his plays.

John has long hours of practice and then he eats at a training table at the college cafeteria so she doesn't see too much of him during football season.

But Judy is a gal who likes football and she's mighty proud of her guy who plays it.

Armadillo Shot Here

Jim Faulk shot an armadillo recently on his place 5 miles north of Canyon.

Faulk said his dogs scared up the creature which usually lives further south. The armadillo ran into a patch of weeds and began digging in an effort to get away.

"They sure can dig," Faulk declared.

Faulk said the animal was armored with a heavy flexible shell. He shot the armadillo in the head with a 410 gauge shotgun.

It was about the size of a small pig.

Canyon People Win Fair Prizes

Two Canyon people won places in the covers division of the Tri-State Fair stamp show Sunday in Amarillo.

Curtis Mobley won first and second in the junior division. Cohen Penick won second place.

Both are members of the Golden Spread Stamp Club.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL 5-2141, or stop by the News office on the west side of the square.

Rockey W. Cating On Constellation

Rockey W. Cating, radarman seaman, USN, son of Mr. and Mrs. Dean Lowes of 303 16th Street, Canyon, Tex., is serving aboard the Navy's newest conventionally powered aircraft carrier, the USS Constellation.

Tested Pig Sale Tonight

The sixth consecutive swine performance test of market pigs has been completed at West Texas State College farm.

The pigs were weighed in at weaning time and fed to 200 pounds. Then they were slaughtered and the loin eye area length, back fat and percent of lean cuts were measured.

During feeding time the daily gain of the pigs were checked to determine feeding efficiency.

Annual sale of litter mates of these pigs will be sold at 8 o'clock tonight (Thursday) at the Tri-State Fair Grounds. These animals will be used for breeding purposes.

Charles Smallwood, head of the agriculture department at WT, said all breeds are represented out of some of the best breeding stock in the country. The test animals were fed under supervision.

USDA Cards Being Sent By Carriers

Postmaster Marion Higdon announced today that Rural Mail Carriers will begin distributing 1962 Acreage Survey Cards to patrons on their routes about September 13.

The Post Office Department assists U.S.D.A. in making this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1962.

To be sure this community is well represented in the survey, Postmaster Higdon urges each patron receiving a card to fill it out and return it to his mailbox.

Rural mail carriers working on this project are: W. E. "Windy" Miller, Route One and O. B. Redman, Route Two.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL5-2141, or stop by the News office on the west side of the square.

W T Livestock Team To Memphis Show

West Texas State College livestock judging team will leave for Memphis, Tenn., today to compete in the Southern Intercollegiate Livestock Judging Contest.

On the team this year will be Jean Triplett, the first girl in the history of the school to be a member of the team.

Other members of the team are Art Miller, Dale Henry and Harvey Smith.

"We've been working out two weeks and have been on trips to Hereford, Amarillo and Happy," Charles Smallwood, head of the WT Agriculture Department, said this week.

The team also was to judge in the Tri-State Fair. The team will compete this year at the American Royal in Kansas City and at the International Livestock Exhibition at Chicago.

The team will judge beef cattle, sheep and hogs at Chicago and will judge beef cattle, sheep, hogs and quarterhorses at Kansas City.

Last year was WT's first year to compete at Chicago.

Smallwood said there were only three girls among 44 teams competing at Chicago last year.

Mrs. Bettie Davis

HAS BEEN SELECTED BY ANDERSON APPLIANCE AS

SEPTEMBER HOUSEWIFE OF THE MONTH

Bettie Davis, wife of Louie Davis, a local brickmason, of 1106 7th Ave. in Canyon has been proudly selected by Anderson Appliance as September housewife of the month.

Bettie and Louie both consider themselves to be lifelong residents of Canyon even though Louie moved here when a small baby.

The Davis' are parents of three fine sons, Dwight 9, Lesley 4, and Douglas 6 mos.

Douglas is the showman of the family having recently won an 18x20 living color portrait valued at $50 in a baby contest. The entire family is justly happy over this event.

Bettie has the new French Door Frigidaire Range, the Frigidaire Dish Mobile and the Frigidaire washer in her kitchen. When asked how she liked her Frigidaire appliances she replied, "I love them." The appliances are all done in a beautiful matching charcoal grey.

"I use my appliances," Mrs. Davis asserted. "I wash dishes twice a day, I use my washer twice a day and I am always baking, canning or cooking on my range."

Regarding the range she said, "I find that I can cook very large oven meals all at once. We had lots of company this year and I just couldn't have made it without my Frigidaire oven."

Mrs. Davis, who keeps children in her home, says, "My next appliance will be a Frigidaire Frost Proof refrigerator."

Bettie also said "If you are looking for appliances go to Anderson Appliance. They will do what they agree to do. Their service is always prompt and reliable."

In view of this statement, if you are looking for appliances, it would pay you to drop in at Anderson Appliance. They are sure to have just the appliance for you and will extend to you the same prompt efficient service. Come in today and see for yourself.

WIVES MOTHERS

How much is your time worth?

If you value your time at only $1.00 an hour—and you spend 00 hours a day washing dishes—in a year, you'd save more than enough to pay for a new

FRIGIDAIRE DISHWASHER

ANDERSON APPLIANCE
